

PVCAUS 2020
**SHARED
HORIZONS**

26–28 MAY 2020

HILTON, SURFERS PARADISE, QUEENSLAND

The only conference that brings together Australasia's vinyl chain to meet, educate and innovate.

Building on the success of the two previous PVC AUS conferences held in 2016 and 2018, **PVC AUS 2020: Shared Horizons** will bring together the vinyl value chain from across the region.

Over A\$1 billion of raw materials are consumed by Australia's PVC manufacturing industry annually and over A\$3 billion of products containing PVC are sold in Australia. The ANZ vinyl industry is seen as progressive and innovative and highly connected to Asia Pacific supply chains.

Over two days, **PVC AUS 2020: Shared Horizons** will have content-rich plenary sessions, technical presentations, panel discussions and table top exhibitions, together with plenty of networking and conversation time including:

- > 3 hours of welcome drinks, networking and fun at Topgolf Gold Coast
- > Dinner with an amazing view and great entertainment at SkyPoint, the Gold Coast's highest, most unique venue.

This event will provide an exceptional opportunity to reach, network with and influence key decision makers in the industry.

With experts in PVC manufacturing, product development and markets supported by world-renowned companies as sponsors and exhibitors, this event will explore future trends and opportunities for the industry in the region.

- Over 150 participants
- Local and international speakers
- Great networking and discussion time
- Practical content take-aways

Registrations are now open! Register through Try booking on: <https://www.trybooking.com/BDOPS>
